§ 102.111 Time computation.

(a) In computing any period of time prescribed or allowed by these rules, the day of the act, event, or default after which the designated period of time begins to run is not to be included. The last day of the period so computed is to be included, unless it is a Saturday, Sunday, or a legal holiday, in which event the period runs until the official closing time of the receiving office on the next Agency business day (see appendix A to this part 102 setting forth the official business hours of the Agency's several offices). When the period of time prescribed or allowed is less than 7 days, intermediate Saturdays, Sundays, and holidays shall be excluded in the computation.

(b) When the Act or any of these rules require the filing of a motion, brief, exception, or other paper in any proceeding, such document must be received by the Board or the officer or agent designated to receive such matter before the official closing time of the receiving office on the last day of the time limit, if any, for such filing or extension of time that may have been granted (see appendix A to the part 102 setting forth the official business hours of the Agency's several offices). A request for an extension of time to file a document shall be filed no later than the official closing time of the receiving office on the date on which the document is due.
